Information Sheet

Northern Districts Lapidary club Inc. has club rooms and a workshop located in the basement of the Beecroft Community Centre. The door to the Club Room is on the railway side (east) of the building. The Community Centre is on the corner of Beecroft and Copeland Roads, Beecroft.

Our club is run by its Members who volunteer their time so that we can operate effectively and economically. Without that input, we could not maintain our low fee system for classes. The Club is an Incorporated Association. Members are not permitted to use the facilities or equipment for personal gain or profit.

A General Meeting is held monthly and members are encouraged to attend and contribute to the decision making process.
